Hi Sarah! Hi Melissa L.

Yay Australia!!

Yes, the education piece feels really important too

Also, learning a new skill on ZOOM, allows me to immediately incorporate the skill because I’m learning within my own studio. I don’t leave any learning behind in a classroom/ workshop exotic setting

Dannine (da-neen) (she/her) Donaho  yes, it took me time to come back to my daily practice. But the PRACTICE feels like home but I have lots of work to do on that home!

Dannine (da-neen) (she/her) Donaho, yay Australia!!
