2020-09-24 20:03:57 UTC	Frank Gerdeman	I'm sure this has been shared before but thank you for a great experience. I would ask that in the future you look at a collection of more days with fewer hours per day. As a west coaster, starting at 5:30 this morning was a bit challenging.
2020-09-24 20:05:06 UTC	Lou McCall	Thank you everyone who put this together! I would vote for a weekend workshop with 4 hours a day, see you next year!
2020-09-24 20:05:11 UTC	Brianna Drohen	Can the link be sent as a follow up after the conference?
2020-09-24 20:05:33 UTC	Radically Rural	Frank Gerdeman thank you. Yes, we will definitely be taking this into consideration.

2020-09-24 20:44:54 UTC Lou McCall The Questa Economic Development Fund is doing great work in Northern Taos County, NM!

2020-09-24 20:49:57 UTC Kerri Sands "A good crisis is a terrible thing to waste" - I think that is exactly what I needed to hear.
2020-09-24 20:50:36 UTC Claire Cote "A good crisis is a terrible thing to waste" - HARD, but shakes things up and makes change and innovation possible.
2020-09-24 20:50:58 UTC Missy White hey Lander folx, we're about to dive headlong into a good crisis as budget drops and 1/2c ED tax kicks in!!!
2020-09-24 20:53:12 UTC Jessica Gelter (she/her) Fantastic Point!!!
2020-09-24 20:53:18 UTC Kerri Sands ABCD folks, what are some surprising examples of assets that communities have identified? I am thinking of a rural region in Maine that has identified cold weather as an advantage for computer servers.

2020-09-24 20:53:36 UTC Trey Warren Wyoming as a whole is in a crisis. The fall of minerals. We had put all our eggs in one basket.
2020-09-24 20:53:48 UTC Melissa Levy Great job, John!
