- and more!

FOUNDATION SPONSOR

Local foundations make for vibrant rural communities! And place-based investment is critical to their success.

Radically Rural wants to learn from your community members AND provide them with connections and resources to *directly benefit your region.*

We want to bring rural folks with important ideas to Radically Rural; who better to help us than the foundations who know the communities best?

To that end, we are adding a new sponsorship opportunity this year, the Foundation Sponsorship. Your sponsorship will include travel & ticket costs up to $5,000 for two attendees of your choosing. Whether you send grantees, partners, or community members, the choice is up to you!

YOUR SPONSORED ATTENDEES WILL:

- Enjoy full summit programming in an enriched learning environment like no other, participating in events at venues up & down Main Street in Keene, NH.
- Attend a casual networking opportunity the evening before the summit where they will learn, converse, and make connections with other sponsored attendees from across rural America.
- Collaborate with others, discuss existing models for growth and development.
- Foster connections that will serve individuals, organizations, and communities upon their return home.
- Amplify the "take home" value of Radically Rural as they share their learning and connections with each other.

**Any amount remaining from the sponsorship will go toward scholarships for other attendees and event costs*

FOUNDATION STAFF ATTENDING

We think it would be the most powerful if you also sent a staff member from your foundation to the summit, using the free ticket included in your sponsorship.

Foundation members will be invited to a facilitated (and fun) gathering with other national funders and philanthropists to shape and share ideas.

This is a perfect opportunity to connect with peers from your sector and continue to build connected rural philanthropic leadership.
